

HILLVIEW
PREMIUM AGED CARE

Dementia Care

We provide dementia care in a friendly, progressive environment designed to make our residents feel right at home.

HillView's premium residential aged care communities are set amongst the trees at Merrimac and Ashmore on the Gold Coast. We cater for all types of care needs, including palliative, dementia and memory care. This range of expertise, combined with 24 hour on-site nursing care, enables HillView to continue to care for your loved one even as their needs change.

You will not find a team more passionate and dedicated to providing excellent care to people with memory loss. We care for our dementia residents in a personalised way, protecting their dignity and doing everything possible to make them feel right at home.

Delivering excellence in dementia care

The HillView team comprises carefully selected, highly qualified and regularly trained staff who are loyal and genuinely passionate about caring for others. They form strong bonds with our residents and take a very respectful and personalised approach to care. Their clear focus is on what's best for each individual. With your help, our team gain an understanding of each residents' life experiences and interests. This helps us to care for them in the best possible way.

We understand how challenging this time can be for you and your loved one. Our care team help families to understand dementia and enjoy quality time with their loved one in their own room, and our team support them to remain as active and involved in our community as they choose.

What to expect as a HillView resident

All of our residents enjoy:

- A wide selection of five star meals prepared onsite by our chefs
- A range of events, outings and everyday activities that are organised by our lifestyle team
- Special activities for our dementia residents, to ensure they remain engaged and active
- Private gardens and courtyards for residents to enjoy
- Access to our own hair and beauty services and a beautiful Café at Merrimac that overlooks a Golf Course
- 24 hour care from Registered Nurses and access to our visiting medical teams of General Practitioners, Specialists and Allied Health Professionals

All rooms include:

- A private ensuite and individually controlled air conditioning
- Views from many rooms and lovely garden areas to enjoy
- In-room technology, daily housekeeping and a full laundry service
- Protection with a high level of security

We Care about Your Care
